Re: Bob Brady for Congress, ID # C00333740

Dear Ms. Kelly:

We are in receipt of the FEC's letter dated July 2, 1998 (see enclosed copy), in which you are asking for clarification on three (3) individual contributors' itemized information.

Pursuant to one of my associate's conversation with Kelly McCarthy, of your organization, on July 7, 1998, we are enclosing the corrected applicable pages (see enclosed pages) of our 12 day pre-election report (4/1/98-4/30/98) in question. These corrected pages should rectify the questions your organization had on these contributions. For these contributors, the election attribution and aggregate accumulations have been corrected. The reporting error occurred due to an election period print merge (for Primary and Special) our software did inaccurately for those items questioned. Our software mechanics have since been corrected to alleviate this in the future.

Ms. McCarthy indicated that simply sending these corrected report pages with cover letter and explanation would be sufficient for clarification purposes.

If any further information is required please do not hesitate to contact me at 215-561-7300. Thank you for your consideration regarding this matter.

Sincerely,

Michael G. Horsey
